Anesthesia: A Comprehensive Review: Expert Consult: Online and Print, 4e

By Brian A. Hall MD, Robert C. Chantigian MD

Anesthesia: A Comprehensive Review is an invaluable study tool for certification and recertification as well as a superb way to ensure mastery of all the key knowledge in anesthesiology. Brian A. Hall and Robert C. Chantigian present nearly 1000 completely updated review questions?vetted by Mayo residents?that cover the latest discoveries and techniques in physics, biochemistry, and anesthesia equipment; the newest drugs and drug categories; and the most recent information on all anesthesia subspecialties. They cover everything from the basic sciences to general anesthesia and subspecialty considerations, with an emphasis on the most important and clinically relevant principles. Access discussions of each question as well as page references to major anesthesia texts. With online access to the text at expertconsult.com, you'll have the ultimate review guide for the ABA written exam.

- Tests your knowledge of anesthesia through the most comprehensive coverage of basic science and clinical practice for an effective review.
- Features questions vetted by Mayo residents to ensure a consistent level of difficulty from trustworthy sources.
- Features the full text online at expertconsult.com for convenient reference.
- Presents 997 thoroughly revised questions for the most current and comprehensive review of board material, covering the latest discoveries and techniques in physics, biochemistry, and anesthesia equipment; the newest drugs and drug categories; and the most recent information on all anesthesia subspecialties.
- Complies with the new ABA format so you have an accurate representation of the new question style and can prepare effectively.
- Includes discussions after each question, along with references to major anesthesia texts so it's easy to find more information on any subject.

Your purchase entitles you to access the web site until the next edition is published, or until the current edition is no longer offered for sale by Elsevier, whichever occurs first. Elsevier reserves the right to offer a suitable replacement

product (such as a downloadable or CD-ROM-based electronic version) should access to the web site be discontinued.

Editorial Review

Users Review

From reader reviews:

Quentin Ryan:

Within other case, little folks like to read book Anesthesia: A Comprehensive Review: Expert Consult: Online and Print, 4e. You can choose the best book if you want reading a book. So long as we know about how is important the book Anesthesia: A Comprehensive Review: Expert Consult: Online and Print, 4e. You can add expertise and of course you can around the world by way of a book. Absolutely right, simply because from book you can understand everything! From your country until foreign or abroad you can be known. About simple issue until wonderful thing you could know that. In this era, we can open a book or searching by internet unit. It is called e-book. You can use it when you feel bored stiff to go to the library. Let's read.

Joey Mendoza:

The book Anesthesia: A Comprehensive Review: Expert Consult: Online and Print, 4e has a lot of information on it. So when you read this book you can get a lot of benefit. The book was compiled by the very famous author. McDougal makes some research prior to write this book. This particular book very easy to read you will get the point easily after reading this book.

Cesar Ford:

Precisely why? Because this Anesthesia: A Comprehensive Review: Expert Consult: Online and Print, 4e is an unordinary book that the inside of the e-book waiting for you to snap the idea but latter it will zap you with the secret the item inside. Reading this book next to it was fantastic author who else write the book in such wonderful way makes the content within easier to understand, entertaining technique but still convey the meaning entirely. So, it is good for you because of not hesitating having this any more or you going to regret it. This amazing book will give you a lot of rewards than the other book have got such as help improving your proficiency and your critical thinking way. So, still want to hesitate having that book? If I ended up you I will go to the e-book store hurriedly.

William Pare:

Many people spending their period by playing outside together with friends, fun activity with family or just watching TV the whole day. You can have new activity to pay your whole day by looking at a book. Ugh, do you think reading a book can definitely hard because you have to use the book everywhere? It all right you can have the e-book, having everywhere you want in your Smart phone. Like Anesthesia: A Comprehensive

Review: Expert Consult: Online and Print, 4e which is keeping the e-book version. So , try out this book?
Let's notice.
