Editorial Review

Review

“This continuation of the Rough Riders not only gives readers the wild, sexy ride the title suggests, it delves into the emotions and motivations of both couples. Secondary characters complement the action of intertwining plots that consistently entertain...Definitely a keeper.”

—**RT Book Reviews Magazine**

“Lorelei James definitely has a talent for telling hot cowboy stories that will have readers longing for one of their very own...the sex is hot, but it’s the emotional context that ensures it’s a story you’ll remember.”

—**Romance Junkies**

“This book was like having two romances in one. The dialogue was excellent... you could easily visualize the scenes and the transitions from Gemma/Cash to Carter/Macie, didn’t distract from the super hot sexy romance between the couples.”

—**The Romance Studio**

“Rode Hard is a multi-generational Western saga that I found highly enjoyable. Ms. James intricately weaves all four characters into one cohesive story...plenty of steamy love scenes that will have you reaching for your own hottie! I hope that Ms. James will return to this setting, giving us more of the McKay family’s stories in the future.”

—**Just Erotic Romance Reviews**

“Rode Hard is a well written and plotted gem of a read that easily handles two emotionally and physically intense relationships at the same time, artfully weaving them into a cohesive story that I found myself racing to finish...The story is fast paced, and filled with witty, sexy dialogue and realistic situations.”

—**Literary Nymphs**

“A great cowboy treat as well as being a hot story... For all who want two stories in one, I would recommend this book highly.”

—**Fallen Angels Reviews**
