Sexuality Concepts for Social Workers By *Travis Ingersoll, Brent Satterly*

"*Sexuality Concepts for Social Workers* is a research-informed, reader-friendly guide that helps practitioners address sexuality-related issues with a variety of target patient groups.

Topics covered include the role of values in sexuality, sexual health and reproduction, relationships, sexual orientation, gender and gender identity, sexuality and the lifespan, sex work and sex workers, sexuality in the ill or disabled, and being a sexually healthy adult.

Several features of the book enhance learning, reflection, and critical thinking. Chapters feature discussion questions, implications and applications for real-world practice, case examples, and opinion pieces from each of the authors.

Sexuality Concepts for Social Workers fills a void in the literature of the social work field by giving practitioners a greater degree of sexuality literacy.

The book is a practical tool for those who haven't had the benefit of formal training in human sexuality. It can be used in upper-level undergraduate and foundation year graduate courses on human behavior, sexuality diversity, and human sexuality for social workers.

Travis Ingersoll is a researcher, therapist, and social work professor at West Chester University. He has worked in various areas of social work practice including gerontology, chemical addiction, mental health, domestic abuse, and sexual trauma. Dr. Ingersoll's current policy work focuses on the development and implementation of sexual expression and protection from harm policies for retirement and assisted living facilities.

Brent Satterly is a licensed clinical social worker and holds a Ph.D. in education, specializing in human sexuality and strengths-based social work practice. He is an associate professor at the Center for Social Work Education at Widener University, and the director of the Bachelor's in Social Work program. In 2012, he received the university's Clarence R. Moll Professor of the Year Award "
