## **Editorial Review**

From Publishers Weekly

As in the audio adaptation of Butcher's first Dresden Files novel, *Storm Front*, Marsters (who played Spike on *Buffy the Vampire Slayer*) slips easily into the role of down-on-his-luck wizard Harry Dresden. Marsters's self-deprecating tone fits the character perfectly; he reads with a dry, ironic humor that doesn't mask Harry's genuine concern for the lives of innocents. Marsters also displays a remarkable skill for lending even the strangest characters and creatures voices—including gentleman gangster Johnny Marconi, his henchmen, a sexy female werewolf and Bob, the British-accented talking skull. In this outing, Harry is again out of cash, and police detective Karrin Murphy, who's still angry at him over the events of the first book, isn't inclined to throw work his way. But soon a series of mysterious, violent murders sends her to Harry for help. Are the killings the work of a local motorcycle gang? Or a werewolf—and if so, which werewolf? Mac Finn, the werewolf environmentalist? The group of idealistic college kids who voluntarily become werewolves by night? Or the trigger-happy group of FBI agents turned werewolf vigilantes? Though the price of this audio package may put off some listeners, Marsters's lively telling makes it worth every penny. Copyright © Reed Business Information, a division of Reed Elsevier Inc. Review

### **Praise for the Dresden Files**

“Think *Buffy the Vampire Slayer* starring Philip Marlowe.”—*Entertainment Weekly*

“Fans of Laurell K. Hamilton and Tanya Huff will love this series.”—*Midwest Book Review*

“Superlative.”—*Publishers Weekly* (starred review)

“One of the most enjoyable marriages of the fantasy and mystery genres on the shelves.”—*Cinescape*

“Butcher...spins an excellent noirish detective yarn in a well-crafted, supernaturally-charged setting. The supporting cast is again fantastic, and Harry's wit continues to fly in the face of a peril-fraught plot.”—*Booklist* (starred review)

“What's not to like about this series?...It takes the best elements of urban fantasy, mixes it with some good old-fashioned noir mystery, tosses in a dash of romance and a lot of high-octane action, shakes, stirs, and serves.”—*SF Site*

“A tricky plot complete with against-the-clock pacing, firefights, explosions, and plenty of magic. Longtime series fans as well as newcomers drawn by the SciFi Channel's TV series based on the novels should find this supernatural mystery a real winner.”—*Library Journal*

“What would you get if you crossed Spenser with Merlin? Probably you would come up with someone very like Harry Dresden, wizard, tough guy and star of [the Dresden Files].”—*The Washington Times*
