The Best Unofficial Practice Tests for the Upper Level SSAT By Christa B Abbott M.Ed.

This book consists of **two full-length practice tests for the Upper Level SSAT**.

The tests in this book show students the types of questions they will see, the concepts that will be tested, the format of the test, and a sense of how the scoring works. This book includes the tests and answer keys -- content instruction and test-taking strategies can be found in the other Upper Level SSAT publications from Test Prep Works, listed below.

Note -- In the fall of 2013, the SSATB revised its official guide to the SSAT. Significant changes included more challenging vocabulary and new math concepts. The practice tests in this book reflect these changes. While there are practice tests available from other publishers, be aware that they may not have been updated for the new test. The SSATB has subsequently released its official guide for 2014-2015, and we have found no significant updates from the prior year.

Test Prep Works has developed a full series of books for the Upper Level SSAT, including:

- **Success on the Upper Level SSAT: A Complete Course** -- Students benefit from the comprehensive content instruction, test-taking strategies, and practice provided in this book, including vocabulary lessons and drills, math content lessons and problem sets, reading strategies and drills, and one full-length practice test.
- **30 Days to Acing the Upper Level SSAT** -- Students looking for more practice will benefit from the 15 "workouts" in this book, and instructors can use the workouts as assignments that reinforce test-taking strategies and help measure progress. Each workout includes practice questions from all sections of the test and can easily be completed in a single sitting. This book also introduces the test-taking strategies that are critical for success on the Upper Level SSAT.
- **The Best Unofficial Practice Tests for the Upper Level SSAT** -- This book consists of two full-length practice tests with answer keys, allowing students

and instructors to measure progress and preparing students for what they will experience on test day. (Note -- These practice tests have different questions than the practice test in *Success on the Upper Level SSAT: A Complete Course* and the two books can be combined for a total of three full-length practice tests.)

Each book in the series can be used independently or they can be combined with each other, depending on the needs of the individual student.

The tests in this book are neither created nor endorsed by the SSATB.

Editorial Review

About the Author

Christa Abbott has been a private test prep tutor for more than a decade, helping her students gain admission to some of the top independent schools in the country. She has now used that experience to develop materials that help students prepare for independent school admissions tests. The approaches used in these books are based on the latest research about how students learn, so that preparation can be an effective and efficient use of time. These materials are also written to be developmentally appropriate for the ages of the students taking the tests. Christa is a graduate of Middlebury College and received her Masters in Education from the University of Virginia, a program nationally recognized for its excellence. She resides in Arlington, VA with her husband and three children. Christa continues to coach students one-on-one in the Washington, D.C., area as well as students all over the world via the internet.

Users Review

From reader reviews:

Cassandra Martin:

What do you concerning book? It is not important together with you? Or just adding material when you need something to explain what yours problem? How about your spare time? Or are you busy individual? If you don't have spare time to do others business, it is give you a sense of feeling bored faster. And you have time? What did you do? Everyone has many questions above. They must answer that question simply because just their can do in which. It said that about reserve. Book is familiar on every person. Yes, it is right. Because start from on kindergarten until university need this specific The Best Unofficial Practice Tests for the Upper Level SSAT to read.
