The Golden Rendezvous By Alistair MacLean

A timeless classic of modern-day piracy from the acclaimed master of action and suspense.

Aboard the SS Campari, all is not well.

For Johnny Carter, the Chief Officer, the voyage has already begun badly; but it's only when the Campari sails that evening, after a succession of delays that he realises something is seriously wrong.

A member of the crew is suddenly missing and the stern-to-stern search only serves to increase tension. Then violence erupts and suddenly the whole ship is in danger. Is the Campari a victim of modern day piracy? And what of the strange cargo hidden below the decks?
