Editorial Review

About the Author

A California-based author, Brenda Hill is also an editor and writing coach. She loves things that go bump in the night whether they're serial killers or other strange creatures. She has written about those pesky people who intrude on our lives with deadly force - *Ten Times Guilty*, *With Full Malice*, *Beyond the Quiet*. She's still writing about those pesky people/creatures, but this time they're in a slightly different form. *The House on Serpent Lake* is a ghost/love story - with a slight twist. Raised in the South, she lives in the Inland Empire of Southern CA, but longs for cool ocean breezes, the forests and clean air of the northern areas of the States, but can do without mosquitoes and horseflies. The bonus for staying? Her son and his family.
