The Last Hellion (The Scoundrels Series) By Loretta Chase

A ferocious conflict of wills...

Vere Mallory, the Duke of Ainswood, has everything--he's titled, he's rich, he's devastatingly good looking--and he seems determined to throw it all away. Disreputable, reckless, and wild, the last of the Mallory hellions is racing headlong to self-destruction...until a mind numbingly beautiful blonde Amazon knocks him off his feet--literally.

An incendiary passion...

Lydia Grenville is dedicated to protecting London's downtrodden. Dissolute noblemen like Ainswood are part of the problem, not the solution. She would like him to get his big, gorgeous carcass out of her way so that she can carry on with her work. The problem is, Ainswood can no more resist a challenge, especially in female form, than he can resist the trouble she seems to attract.

If they can only weather their personal firestorm...

they might survive the real danger that threatens all they hold dear.

Editorial Review

Amazon.com Review

In 1820s England, 28-year-old Lydia Grenville is a few inches under six feet tall and mind-numbingly beautiful. Clever as well as gorgeous, she is the author of a London newspaper's most popular adventure serial and has also penned scathing articles about the prostitution trade in the city. Her less-than-ladylike occupation, checkered past, and questionable lineage make it highly unlikely that she will ever marry a member of the Regency *ton*. However, in keeping with a long legacy of hell-raising ancestors, Vere Mallory, the notorious Duke of Ainswood, has a reputation for flaunting society's dictates. Besides, one look at Lydia and he loses his heart, although at the time, it doesn't occur to him that love is what he feels. He terms it lust and sets out to bed the beautiful Lydia.

What follows is an endearing, hilarious contest of wills between a woman determined to hold her heart and body safe, and a man just as determined to conquer her. In a final, winner-takes-all contest, Lydia and Vere come to terms, but neither is sure just who won and just who lost the wager. Is it possible they may both come out winners? Meanwhile, Lydia's very public crusade against the worst offenders in the city's illegal prostitution business has earned her dangerous enemies. Just when it seems that Vere and Lydia may resolve their personal contest of wills, the dark forces at work in the seamier side of London threaten not only Lydia, but also Vere's beloved nieces.

The Last Hellion has a cast of well-drawn characters who play out their scenes against a backdrop of Regency England that's both lushly rich in descriptions of the wealthy and darkly gritty when traveling the back streets where poverty rules.

From Library Journal

When Vere Mallory, the seventh Duke of Ainswood and the last of the infamous "Mallory Hellions," ends up in the mud after being properly slugged by an outspoken, crusading journalist of Amazonian proportions, he decides to teach her a lesson—and ends up learning a few things himself. Well-matched, appealing protagonists, a lively, witty writing style, and excellent dialog complement this compelling story that addresses some of the more relevant social issues of the Regency era. Chase has won two Rita Awards, including one for *Lord of Scoundrels* (Avon, 1995), the prequel to *The Last Hellion*, and lives in Massachusetts.

About the Author

Loretta Chase has worked in academe, retail, and the visual arts, as well as on the street—as a meter maid—and in video, as a scriptwriter. She might have developed an excitingly checkered career had her spouse not nagged her into writing fiction. Her bestselling historical romances, set in the Regency and Romantic eras of the early nineteenth century, have won a number of awards, including the Romance Writers of America's RITA®.

Users Review

From reader reviews:

Jennifer Oaks:

What do you concentrate on book? It is just for students as they are still students or the idea for all people in the world, exactly what the best subject for that? Just simply you can be answered for that concern above. Every person has various personality and hobby per other. Don't to be compelled someone or something that they don't desire do that. You must know how great along with important the book The Last Hellion (The Scoundrels Series). All type of book are you able to see on many resources. You can look for the internet solutions or other social media.

Anne Bonk:

Hey guys, do you desires to finds a new book to learn? May be the book with the concept The Last Hellion (The Scoundrels Series) suitable to you? Often the book was written by popular writer in this era. The actual book untitled The Last Hellion (The Scoundrels Series) is the one of several books that will everyone read now. That book was inspired many people in the world. When you read this guide you will enter the new way of measuring that you ever know previous to. The author explained their idea in the simple way, so all of people can easily to know the core of this guide. This book will give you a lot of information about this world now. To help you to see the represented of the world in this book.

Eugene Meunier:

This The Last Hellion (The Scoundrels Series) is great reserve for you because the content that is certainly full of information for you who else always deal with world and get to make decision every minute. This book reveal it details accurately using great coordinate word or we can point out no rambling sentences in it. So if you are read it hurriedly you can have whole info in it. Doesn't mean it only will give you straight forward sentences but difficult core information with wonderful delivering sentences. Having The Last Hellion (The Scoundrels Series) in your hand like getting the world in your arm, information in it is not ridiculous a single. We can say that no guide that offer you world in ten or fifteen small right but this e-book already do that. So , this really is good reading book. Hey Mr. and Mrs. hectic do you still doubt that?

Robert Polk:

As a student exactly feel bored to reading. If their teacher requested them to go to the library or make summary for some reserve, they are complained. Just little students that has reading's spirit or real their passion. They just do what the teacher want, like asked to go to the library. They go to at this time there but nothing reading really. Any students feel that examining is not important, boring as well as can't see colorful pics on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this The Last Hellion (The Scoundrels Series) can make you feel more interested to read.
