### Troubletwisters Book 3: The Mystery By Garth Nix, Sean Williams

The third thrilling installment of the middle-grade fantasy series from bestselling authors Garth Nix and Sean Williams.

When an old man in an even older house dies mysteriously, twins Jack and Jaide Shield find themselves drawn into a dangerous treasure hunt in some deep, dark places. Jack and Jaide are troubletwisters -- gifted with magic and cursed by The Evil, a force that will stop at nothing to destroy their world. The old house holds something very important to The Evil -- and Jack and Jaide must race to find it, even though they don't know what it looks like or where it is.

Jack and Jaide aren't the only ones searching for the treasure. And as the mystery gets bigger and bigger, they're not sure who they can trust. Even friends are beginning to act suspicious. And their father, who should be their strongest ally, is leading them into treacherous territory.

At the heart of all magic is mystery, and at the heart of this mystery is nothing less than the key to controlling magic. It's going to take the two troubletwisters to the edge of their Gifts in order to figure this one out.

### Editorial Review

#### From School Library Journal

Gr 4-7-Superb narrator Stanley McGeagh does a marvelous job with the third title (Scholastic, 2013) in the "Troubletwisters" series. Twelve-year-old twins Jaide and Jack are upset when their beloved Grandma X is injured in a suspicious car crash. This comes right after the horrifying death of Young Master Rourke (actually quite an old man), which was seemingly caused by a bunch of bespelled animals and an unknown man. When the twins' father asks them to have a look around Rourke Castle for something called the Golden Card of Translocation, they find themselves in great peril. Evil is near, their father is acting very strangely, Grandma X is unavailable for advice, and the twins still are unable to control their magical powers. McGeagh really delivers the thrills using different voices and accents, easily conveying menace, anger, impatience, confusion, and fear. Give this to fans of Rick Riordan and Jenny Nimmo.-Allison Gray, Goleta Library, Santa Barbara, CA(c) Copyright 2013. Library Journal. LLC, a wholly owned subsidiary of Media Source, Inc. #### From Booklist

Young Master Rourke has died under suspicious circumstances, leaving Rourke Castle and the residents of Portland in a quandary. When their father asks them to search the castle for the mysterious Golden Card of Translocation, twin troubletwisters Jack and Jaide must rely on the Compendium for wisdom since Grandma X is hospitalized. Meanwhile, their father is impatient, their Gifts are still not in control, and the Evil encroaches ever closer. In spite of the nebulous title, fans of the first two titles will not be disappointed with the twins' new adventures. Exploring the ideas of secrets, self-identity, and trust, and with plot twists aplenty and intriguing new characters, this one delivers. Grades 4-6. --Melissa Moore

#### Praise for TROUBLETWISTERS BOOK ONE: THE MAGIC:

"Full of adventure and the unexpected, the first book in Nix and Williams's new series is delightfully twisted. The pacing is perfect, the setting is eerily dark, the faceless Evil rings true, and the resolution is satisfying." - - BOOKLIST

#### Praise for TROUBLETWISTERS BOOK TWO: THE MONSTER:

"This gripping fantasy for the middle-grade set delivers magic and delightful dollops of ick." -- KIRKUS REVIEWS
