A Most Wanted Man By John le Carre

Now a major film starring Philip Seymour Hoffman, Rachel McAdams, Willem Dafoe, and Robin Wright—the acclaimed bestselling novel about spies in “The War on Terror.”

A half-starved young Russian man in a long black overcoat is smuggled into Hamburg at dead of night. He has an improbable amount of cash secreted in a purse around his neck. He is a devout Muslim. Or is he? He says his name is Issa.

Annabel, an idealistic young German civil rights lawyer, determines to save Issa from deportation. Soon her client's survival becomes more important to her than her own career—or safety. In pursuit of Issa's mysterious past, she confronts the incongruous Tommy Brue, the sixty-year-old scion of Brue Frères, a failing British bank based in Hamburg.

Annabel, Issa, and Brue form an unlikely alliance—and a triangle of impossible loves is born. Meanwhile, sensing a sure kill in the “War on Terror,” the rival spies of Germany, England, and America converge upon the innocents.

Thrilling, compassionate, with characters you'll never forget, *A Most Wanted Man* is a work of deep humanity and uncommon relevance to our times.

Editorial Review

From Publishers Weekly

When boxer Melik Oktay and his mother, both Turkish Muslims living in Hamburg, take in a street person calling himself Issa at the start of this morally complex thriller from le Carré (*The Mission Song*), they set off a chain of events implicating intelligence agencies from three countries. Issa, who claims to be a Muslim medical student, is, in fact, a wanted terrorist and the son of Grigori Karpov, a Red Army colonel whose considerable assets are concealed in a mysterious portfolio at a Hamburg bank. Tommy Brue, a stereotypical flawed everyman caught up in the machinations of spies and counterspies, enters the plot when Issa's attorney seeks to claim these assets. The book works best in its depiction of the rivalries besetting even post-9/11 intelligence agencies that should be allies, but none of the characters is as memorable as George Smiley or Magnus Pym. Still, even a lesser le Carré effort is far above the common run of thrillers. (*Oct.*)

From [Bookmarks Magazine](#)

While this novel may be le Carré's first take on espionage in Europe after the Cold War, critics could not be more divided over its quality. Alan Furst, himself one of the greats of the genre, opines that *A Most Wanted Man* might be one of the author's best, not for its content so much as for its technical brilliance. But other reviewers panned the work, arguing that le Carré's outrage over recent American intelligence practices distorts the plot and renders many of the characters as mere clichés. Perhaps the consensus is that *A Most Wanted Man* is an enjoyable le Carré novel (and therefore much better than most thrillers)—but far from his best.
