Fifteen By Beverly Cleary

It seems too good to be true. The most popular boy in school has asked Jane out - and she's never even dated before. Stan is tall and good-looking, friendly and hard-working -- everything Jane ever dreamed of. But is she ready for this?

Suppose her parents won't let her go? What if she's nervous and makes a fool of herself? Maybe he'll think she's too young. If only she knew all the clever things to say. If only she were prettier. If only she were ready for this...

With her usual warmth, perceptiveness, and humor, Beverly Cleary creates the joys and worries of a young girl's first crush.

Editorial Review

From the Back Cover

Jane has a date ... with handsome Stan Crandall!

Quiet Jane is amazed when a new boy in school, Stan Crandall, rescues her from a baby-sitting dilemma. And when Stan calls to invite her to the movies, she is thrilled. Her excitement is soon overwhelmed by a flurry of worries. What should she wear? Will her parents embarrass her? Is she grown-up enough for a boy like Stan? A taste of exotic Chinese food, a tired blue jalopy, and a case of appendicitis all figure in to this lively story of first romance.

About the Author

Beverly Cleary is one of America's most beloved authors. As a child, she struggled with reading and writing. But by third grade, after spending much time in her public library in Portland, Oregon, she found her skills had greatly improved. Before long, her school librarian was saying that she should write children's books when she grew up.

Instead she became a librarian. When a young boy asked her, "Where are the books about kids like us?" she remembered her teacher's encouragement and was inspired to write the books she'd longed to read but couldn't find when she was younger. She based her funny stories on her own neighborhood experiences and the sort of children she knew. And so, the Klickitat Street gang was born!

Mrs. Cleary's books have earned her many prestigious awards, including the American Library Association's Laura Ingalls Wilder Award, presented to her in recognition of her lasting contribution to children's literature. *Dear Mr. Henshaw* won the Newbery Medal, and *Ramona Quimby, Age 8* and *Ramona and Her Father* have been named Newbery Honor Books. Her characters, including Beezus and Ramona Quimby, Henry Huggins, and Ralph, the motorcycle-riding mouse, have delighted children for generations.

Users Review

From reader reviews:

Juan Turgeon:

The guide with title Fifteen includes a lot of information that you can study it. You can get a lot of benefit after read this book. This particular book exist new information the information that exist in this reserve represented the condition of the world now. That is important to you to understand how the improvement of the world. This particular book will bring you with new era of the the positive effect.
