Growth, Development and Reproduction (Cambridge Advanced Sciences)

By Dennis Taylor

A range of textbooks for AS and A level Pre 2008 specification. This title was developed for the new specifications for Advanced Level Biology for teaching from September 2000. Growth, Development and Reproduction has been endorsed by OCR for use with the OCR Biology specification A. It provides full coverage of the Biology option module of the same name. In combination with other books in the series it provides full coverage of the Advanced Level specifications. Learning objectives are clearly defined and self-assessment questions (with answers) and exam-style end-of-chapter exercises offer excellent opportunities for independent study. Full-colour illustration and student-friendly design make the science accessible to all.
