### Life of Constantine (Clarendon Ancient History Series) By Eusebius

The emperor Constantine changed the world by making the Roman Empire Christian. Eusebius wrote his life and preserved his letters so that his policy would continue. This English translation is the first based on modern critical editions. Its Introduction and Commentary open up the many important issues the *Life of Constantine* raises.

### Editorial Review

#### Review

'Overall, however, this volume will prove an enormously useful tool for scholars and students of church history and late antiquity in general.' *Journal of Early Christian Studies*

'This volume provides a fine introduction to the Life of Constantine in a format that is user-friendly both with regard to organization of content and graphic design ... The commentary helpfully assesses the historicity of Eusebius' accounts of specific events and how certain themes in the text serve the various literary purposes of the work. The book is a goldmine of bibliographical sources on particular topics in the Vita, for example, on Constantine's building programs in Jerusalem and elsewhere.' *Journal of Early Christian Studies*, 2001

'The commentary is a mine of information and succinctly distilled learning, drawn from an extensive modern bibliography supplemented by the authors' own combined wisdom.' *Journal of Ecclesiastical History*, April 2001

'Their collaboration on Eusebius ... has resulted in what is sure to become an indispensable companion to Constantinian studies.' *Journal of Ecclesiastical History*, April 2001

#### About the Author

Averil Cameron is Warden of Keble College, Oxford. The Rev. Stuart Hall is a retired priest in the Scottish Episcopal Church, formerly priest in charge of St John's Pittenweem and St Michael's Elie.

### Users Review

#### From reader reviews:

##### **Ismael Black:**
