### Step-By-Step Basic Statistics Using SAS: Exercises By Larry Hatcher

With Larry Hatcher's Step-by-Step Basic Statistics Using SAS: Exercises, you apply what you learned in the companion text, Step-by-Step Basic Statistics Using SAS: Student Guide. Using the instruction provided, you soon will be creating data sets and performing statistical analyses to investigate specific research questions. The exercise data is inspired by studies in the social and behavioral sciences, so your analyses and findings mirror real research. Each chapter presents two opportunities to explore the results of the analyses and to practice writing summary reports. For the first exercise, a complete solution is provided, including the SAS program, output, and analysis report, as well as tables and figures. For the second exercise, you supply the solution.

### **Editorial Review**

#### **Review**

"My graduate students and I have had a good chance to look over the new workbook.... The general consensus is that it is extremely successful on a number of levels. [Larry Hatcher has] thought of everything...We especially like how [he] incorporated additional explanations to help students navigate the computer itself."

#### **About the Author**

Larry Hatcher, Ph.D., is a professor of psychology at Saginaw Valley State University in Saginaw, Michigan, where he teaches classes in general psychology, industrial psychology, elementary statistics, advanced statistics, and computer applications in data analysis. The author of several books dealing with statistics and data analysis, Hatcher has taught at the college level since 1984 after earning his doctorate in industrial and organizational psychology from Bowling Green State University in 1983.

### **Users Review**

#### **From reader reviews:**

##### **Louise Villanueva:**

What do you in relation to book? It is not important along? Or just adding material when you want something to explain what your own problem? How about your free time? Or are you busy person?
