## The Pocket Scavenger By Keri Smith

**From the internationally bestselling creator of *Wreck This Journal*, a scavenger hunt that leads you to explore your world and transform your findings through creativity and chance...**

Within the pages of *The Pocket Scavenger*, you'll be instructed to go on an unusual scavenger hunt, collecting a spectrum of random items: something that is miniature, a stain that is green, something from the year you were born, a used envelope, and more. Once your quarry is in hand, you'll apply an alteration dictated solely by chance: create a funny character, make it into a building, conceal it, add polka dots, remove a section, add stripes, scribble on top, fold, turn into an article of clothing, make it "pretty," and so on.

The results: you'll be forced out of habitual ways of thinking or acting, discover new connections, and try things you might not have done on your own, creating a version of *The Pocket Scavenger* that is utterly unique, dependent on time, place, experience, and you.
