Night Owls Review - TOP PICK To Dare the Duke of Dangerfield

Caitlin was about to lose her birthright and family home. Her no account father had gambled away the estate. She had only one recourse, she would make a wager with the new owner. Harlow Telford, Duke of Dangerfield had the prize he'd wanted for so long. Finally, his half-brother would have his due. But Harlow was intrigued by Caitlin and decided that he'd have her too. He accepted her dare but never contemplated that he might lose, if not the bet then maybe his heart.

What a fun and enjoyable read! Caitlin and Harlow are fantastic. They play off each other and provide not only humor but sensuality to an intriguing plot. Harlan's friends also add to the story. Although it does take a bit more serious turn in the last part of the book, this was an entertaining read throughout. Great dialogue and sizzling chemistry round out this delightful story.

### **From the Inside Flap**

Caitlin sensed the moment when Harlow first noticed her arrival. The fine hairs at her nape bristled.

"I'm pleased to see you know how to keep time. You're early." He was standing too close behind her, the low *timbre* of his voice coaxing her to turn round.

She did so. Slowly. Wanting the full impact of her dress to overcome him. When she finally faced him, she looked up into his eyes, her composure complete.

He gave a choked cough. "Good God, how's a man to concentrate with those staring at him all night? And I thought I preferred you in trousers." His eyes narrowed. "Well played, Lady Caitlin."

"Thank you." She felt a hint of smile crease her lips.

It soon disappeared--shattered--when he reached out and trailed his fingers over the creamy swells of her breasts. She batted his hand away. His fingers returned, sweeping over the skin.

"What do you think you are doing?" she asked breathlessly. "Stop it."

"I'm evening the score," he almost growled.
