### **Editorial Review**

#### **Amazon.com Review**

Longtime activist, author and political figure Angela Davis brings us this exposé of the women's movement in the context of the fight for civil rights and working class issues. She uncovers a side of the fight for suffrage many of us have not heard: the intimate tie between the anti-slavery campaign and the struggle for women's suffrage. She shows how the racist and classist bias of some in the women's movement have divided its own membership. Davis' message is clear: If we ever want equality, we're gonna have to fight for it together.

#### **Review**

"As useful an exposition of the current dilemmas of the women's movement as one could hope for."--Los Angeles Times Book Review

#### **From the Publisher**

"As useful an exposition of the current dilemmas of the women's movement as one could hope for."--Los Angeles Times Book Review

### **Users Review**

#### **From reader reviews:**

##### **David Kane:**

As people who live in the modest era should be up-date about what going on or details even knowledge to make all of them keep up with the era which can be always change and make progress. Some of you maybe may update themselves by examining books. It is a good choice for yourself but the problems coming to an individual is you don't know which you should start with. This Women, Race, & Class is our recommendation to help you keep up with the world. Why, because book serves what you want and need in this era.

##### **Kurt Rose:**

This Women, Race, & Class is great publication for you because the content that is full of information for you who also always deal with world and still have to make decision every minute. This book reveal it info accurately using great plan word or we can claim no rambling sentences in it. So if you are read the item hurriedly you can have whole details in it. Doesn't mean it only will give you straight forward sentences but hard core information with splendid delivering sentences. Having Women, Race, & Class in your hand like finding the world in your arm, details in it is not ridiculous 1. We can say that no publication that offer you world throughout ten or fifteen small right but this book already do that. So , this is good reading book. Hello Mr. and Mrs. occupied do you still doubt which?

**John Ward:**
