Bloodrose: A Nightshade Novel By Andrea Cremer

The third book in the phenomenal *New York Times* bestselling Nightshade series

Calla has always welcomed war. But now that the final battle is upon her, there's more at stake than fighting. There's saving Ren, even if it incurs Shay's wrath. There's keeping her brother, Ansel, safe, even if he's been branded a traitor. There's proving herself as the pack's alpha, facing unnamable horrors, and ridding the world of the Keepers' magic once and for all. And then there's deciding what to do when the war ends. If Calla makes it out alive, that is.

Read the prequels to the Nightshade series **RIFT** and **RISE**.

From the Trade Paperback edition.

Editorial Review

From [Booklist](#)

The last installment in the *Nightshade* trilogy suffers from the weaknesses common to multivolume finales: the need to compress plot summary and character development from earlier titles into the opening while building a story that not only stands on its own but ties up loose ends. Still, Cremer's many fans will be willing to overlook these flaws in exchange for another fast-paced romp with shapeshifters Calla, Ren, and Shay as the fight between Keepers and Searchers comes to a bloody end. Calla is drawn to both Ren, her original intended, and Shay, who turned werewolf for her in the first title (*Nightshade*, 2010). She tries to remain neutral while maintaining her alpha status, protecting her traitorous brother, and navigating the many familial revelations presented as Cremer ties up plot details. Although the writing is frequently overwrought—with constant growling, fighting, and lust—Cremer's device of focusing on the werewolves' sense of smell to describe their emotions remains a clever touch in this crowd-pleasing finale.

HIGH-DEMAND BACKSTORY: Author appearances, a fat advertising budget, and a dedicated website are all lined up to promote the final book in the internationally best-selling *Nightshade* series. Grades 7-11. -- Debbie Carton

Review

Fast paced and full of action, the *Nightshade* trilogy comes to a howling conclusion. With abundant action and sexy heavy breathing, the trilogy ends in a nifty resolution that readers won't see coming. The author sustains the pace throughout by filling even her peaceful scenes with aggressive behavior, and she keeps romantic pulses constantly pounding. She briefly returns to her earlier underlying theme of freedom, but this series finally becomes more about action scenes and sexual tension than about lofty ideals, a development that should keep its many fans briskly turning pages. Yet the saga's clever surprise ending intimates that Calla's long-sought freedom comes with limitations. Fans will eat it up. -- Kirkus Kirkus

About the Author

Andrea Cremer spent her childhood daydreaming while roaming the forests and lakeshores of Northern Wisconsin. She now lives in Minnesota, but she thinks of her homeland as the "Canadian Shield" rather than the Midwest.

Andrea has always loved writing and has never stopped writing, but she only recently plunged into the deep end of the pool that is professional writing. When she's not writing, Andrea teaches history at a very nice liberal arts college in St. Paul.

In the little spare time she can find, Andrea stares up at trees, rescues infant rabbits from predatory cats, and invents names for pug puppies. She has an unfortunate tendency to spill things—white carpets beware!

Users Review

From reader reviews:

Michael Battle:

The book *Bloodrose: A Nightshade Novel* make you feel enjoy for your spare time. You may use to make

your capable a lot more increase. Book can to be your best friend when you getting stress or having big problem with the subject.
