**Culture and Customs of Iran (Cultures and Customs of the World)** By Elton L. Daniel, Ali Akbar Mahdi

Iran is often a hotspot in the news, and the Muslim state is usually negatively portrayed in the West. Culture and Customs of Iran rejects facile stereotyping and presents the rich, age-old Persian culture that struggles with pressures of the modern world. This is the first volume in English to reveal the important sociocultural facets of Iran today for a general audience in an objective fashion. Authoritative, substantive narrative chapters cover the gamut of topics, from religion and religious thought to Iranian cuisine and festivals.

## **Editorial Review**

### **Review**

"This survey of Iran (aimed at students and general readers) covers the contemporary life of the country within a historical context. Daniel and Mahdi discuss the land and people; religions; literature and language; drama and cinema; architecture; carpets and the history of weaving; food and dining; family, women, marriage, and gender relations; holidays, festivals, and events; and Persian music and dance. Only limited coverage of sports, dress, painting, ceramics, and metalwork is provided. B&W photos are included." -
