### Fear and Loathing in Las Vegas: A Savage Journey to the Heart of the American Dream By Hunter S. Thompson

This cult classic of gonzo journalism is the best chronicle of drug-soaked, addle-brained, rollicking good times ever committed to the printed page. It is also the tale of a long weekend road trip that has gone down in the annals of American pop culture as one of the strangest journeys ever undertaken.

Now a major motion picture from Universal, directed by Terry Gilliam and starring Johnny Depp and Benicio del Toro.

### Editorial Review

#### Amazon.com Review

Heralded as the "best book on the dope decade" by the *New York Times Book Review*, Hunter S. Thompson's documented drug orgy through Las Vegas would no doubt leave Nancy Reagan blushing and D.A.R.E. founders rethinking their motto. Under the pseudonym of Raoul Duke, Thompson travels with his Samoan attorney, Dr. Gonzo, in a souped-up convertible dubbed the "Great Red Shark." In its trunk, they stow "two bags of grass, seventy-five pellets of mescaline, five sheets of high-powered blotter acid, a salt shaker half-full of cocaine and a whole galaxy of multicolored uppers, downers, screamers, laughers.... A quart of tequila, a quart of rum, a case of Budweiser, a pint of raw ether and two dozen amyls," which they manage to consume during their short tour.

On assignment from a sports magazine to cover "the fabulous Mint 400"--a free-for-all biker's race in the heart of the Nevada desert--the drug-a-delic duo stumbles through Vegas in hallucinatory hopes of finding the American dream (two truck-stop waitresses tell them it's nearby, but can't remember if it's on the right or the left). They of course never get the story, but they do commit the only sins in Vegas: "burning the locals, abusing the tourists, terrifying the help." For Thompson to remember and pen his experiences with such clarity and wit is nothing short of a miracle; an impressive feat no matter how one feels about the subject matter. A first-rate sensibility twinger, *Fear and Loathing in Las Vegas* is a pop-culture classic, an icon of an era past, and a nugget of pure comedic genius. --Rebekah Warren

#### Review

'There are only two adjectives writers care about... "brilliant" and "outrageous". Hunter Thompson has a freehold on both of them. "Fear and Loathing" is a scorching epochal sensation.' Tom Wolfe 'What goes on in these pages makes Lenny Bruce seem angelic...the whole book boils down to a mad, corrosive prose poetry that picks up where Norman Mailer's "An American Dream" left off and explores what Tom Wolfe left out.' New York Times

#### From the Inside Flap

*Fear and Loathing in Las Vegas* is the best chronicle of drug-soaked, addle-brained, rollicking good times ever committed to the printed page. It is also the tale of a long weekend road trip that has gone down in the annals of American pop culture as one of the strangest journeys ever undertaken.
