Praise for *Public Relations: Strategies and Tactics*

“I had forgotten how good and thorough this text is. It has always been the standard of the introductory public relations textbook and it remains so today. Its content is up-to-date, well researched, and clearly organized in a way that instructors and their students will appreciate.”

Maureen Taylor, Rutgers University

“This text definitely achieves one of my primary objectives in an intro course — an understanding of compromises. It makes the readers aware of how much of the symbolic world around them is the result of Public Relations.”

Josh Boyd, Purdue University
