**Sociology for the 21st Century, Census Update (5th Edition)** By Tim Curry, Robert Jiobu, Kent Schwirian

***Accessible with a built-in study guide***

*Sociology for the 21<sup>st</sup> Century* is the most accessible and valuable text for introductory sociology courses.

The book provides learning styles and strategies for more effective learning, and has a built-in study guide to help students focus their study time.

The Census Update program incorporates 2010 Census data into a course—simply and easily. The components of the Census Update Program include an updated census edition with all charts and graphs—to reflect the results of the 2010 Census. In addition, *A Short Introduction to the U.S. Census* is available and an updated MySearchLab.

## Teaching & Learning Experience

- *Personalize Learning* — The new MySearchLab delivers proven results in helping students succeed, provides engaging experiences that personalize learning, and comes from a trusted partner with educational expertise and a deep commitment to helping students and instructors achieve their goals.
- *Improve Critical Thinking* — Critical thinking questions in feature boxes and at the end of each chapter challenge students' understanding of topics.
- *Engage Students* — Exploration of learning styles and personalized study tips included.
- *Explore Theory* — Three classic paradigms are discussed.
- *Understand Diversity* — Comparative global perspectives integrated with discussions about the economy, politics, education, and religion.
- *Support Instructors* - Written activities and assessment in MySearchLab offer instructors supplemental materials to help their students succeed.

**Note:** MySearchLab does not come automatically packaged with this text. To purchase MySearchLab, please visit: [www.mysearchlab.com](http://www.mysearchlab.com) or you can purchase a ValuePack of the text + MySearchLab (at no additional cost).

## **Editorial Review**

### **About the Author**

Tim Curry has created a rich array of memorable characters for both the screen and stage, most notably the role of the scientist in the Broadway and film versions of The Rocky Horror Picture Show. He's won Tony Award(r) nominations for his roles in My Favorite Year and The Pirates of Penzance.

"Tim Curry" is Associate Professor of Sociology at The Ohio State University. He has taught introductory sociology for more than 20 years at Ohio State, from large classes of 300 students to honors classes of 25 students. He currently serves as the department's chair of Instructional Development. In addition to teaching Introductory Sociology, Dr. Curry, who earned his doctorate from the University of Washington, also teaches Sociology of Race, Class, and Gender in Mass Communications; Social Theory; American Society; and Sociology of Sport classes. Dr. Curry is a member of the American Sociological Association, among other association memberships. He has published more than 25 professional articles on the subjects of social psychology, sport and society, and visual sociology, as well as two books: "Sports: A Social Perspective" and "Introducing Visual Sociology."

"Robert Jiobu" has more than 20 years of teaching experience at several universities including California State University at Los Angeles, University of Southern California, and University of Wisconsin-Green Bay. He currently is Associate Professor of Sociology at The Ohio State University. He has taught introductory sociology to classes of 600 students and to honors classes of 25 students. In addition to teaching Introductory Sociology, he also teaches Racial and Ethnic Relations and Statistical Analysis, both at undergraduate and graduate levels. Dr. Jiobu, who earned a doctorate from the University of Southern California, is a member of the American Sociological Association as well as the Association for Asian American Studies. He has published more than 25 professional articles, mostly on racial and ethnic relations, as well as three books: "Sports: A Social Perspective; Ethnicity and Assimilation;" and "Ethnicity and Inequality." Dr. Jiobu is currently writing a monograph on immigration and work.

"Kent Schwirian" is Professor Emeritus of Sociology and a faculty member of the College of Medicine and Public Health's Primary Care Research Institute at The Ohio State University. Dr. Schwirian's broad experience as a teacher and researcher at Ohio State imbue this textbook with both scholarly expertise and a deep commitment to creating student appreciation for sociology. Dr. Schwirian, who earned his Doctorate of Philosophy in Sociology at the University of Iowa, is author and coauthor of numerous articles and research monographs on social statistics, population studies, and other topics. He has taught large classes on Introductory Sociology and smaller classes on Urban Sociology, Human Ecology, and the Community. He has published three books: "Beyond Edge Cities, Comparative Urban Structure: Studies in the Ecology of Cities" and "Contemporary Topics in Urban Sociology." Dr. Schwirian is a member of the American Sociological Association, the Population Association of America, and the American Association of University Professors, in addition to numerous other professional memberships.

## **Users Review**

### **From reader reviews:**

**Kyle Raya:**

Information is provisions for folks to get better life, information currently can get by anyone at everywhere. The information can be a knowledge or any news even an issue. What people must be consider whenever those information which is inside the former life are hard to be find than now's taking seriously which one is acceptable to believe or which one the particular resource are convinced. If you find the unstable resource then you understand it as your main information you will see huge disadvantage for you. All of those possibilities will not happen with you if you take Sociology for the 21st Century, Census Update (5th Edition) as the daily resource information.

**Pearl Miller:**

You may spend your free time to see this book this e-book. This Sociology for the 21st Century, Census Update (5th Edition) is simple bringing you can read it in the park, in the beach, train and also soon. If you did not have much space to bring the particular printed book, you can buy often the e-book. It is make you better to read it. You can save the actual book in your smart phone. So there are a lot of benefits that you will get when you buy this book.

**Maria Levine:**

Is it anyone who having spare time after that spend it whole day by watching television programs or just resting on the bed? Do you need something totally new? This Sociology for the 21st Century, Census Update (5th Edition) can be the solution, oh how comes? It's a book you know. You are and so out of date, spending your extra time by reading in this completely new era is common not a nerd activity. So what these ebooks have than the others?

**Jesus Geist:**

As a scholar exactly feel bored to help reading. If their teacher expected them to go to the library or make summary for some reserve, they are complained. Just very little students that has reading's soul or real their pastime. They just do what the educator want, like asked to go to the library. They go to right now there but nothing reading very seriously. Any students feel that reading through is not important, boring as well as can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this Sociology for the 21st Century, Census Update (5th Edition) can make you feel more interested to read.
