Strategies for Formulations Development: A Step-by-Step Guide Using JMP

By Ronald Snee, Roger Hoerl

Strategies for Formulations Development: A Step-by-Step Guide Using JMP is based on the authors' significant practical experience partnering with scientists to develop strategies to accelerate the formulation (mixtures) development process. The authors not only explain the most important methods used to design and analyze formulation experiments, but they also present overall strategies to enhance both the efficiency and effectiveness of the development process.

With this book you will be able to:

- Approach the development process from a strategic viewpoint with the overall end result in mind.
- Design screening experiments to identify components that are most important to the performance of the formulation.
- Design optimization experiments to identify the maximum response in the design space.
- Analyze both screening and optimization experiments using graphical and numerical methods.
- Optimize multiple criteria, such as the quality, cost, and performance of product formulations.
- Design and analyze formulation studies that involve both formulation components and process variables using methods that reduce the required experimentation by up to 50%.

Linking dynamic graphics with powerful statistics, JMP helps construct a visually compelling narrative to interactively share findings that are coherent and actionable by colleagues and decision makers. Using this book, you can take advantage of computer generated experiment designs when classical designs do not suffice, given the physical and economic constraints of the experiential environment.

Strategies for Formulations Development: A Step-by-Step Guide Using JMP(R) is unique because it provides formulation scientists with the essential information

they need in order to successfully conduct formulation studies in the chemical, biotech, and pharmaceutical industries.

Editorial Review

About the Author

Ronald D. Snee, PhD, is founder and president of Snee Associates, LLC, an authority on designing and implementing improvement and cost-reduction solutions for a variety of organizational environments. He has a proven track record in process and organizational improvement in a variety of industries, including pharmaceutical, biotech, clinical diagnostics, and telecommunications. He is credited with developing the formulation development system strategy and leading the design of the first company-wide continuous improvement curriculum for DuPont. He has coauthored four books, published more than 300 articles on product and process improvement, quality, management, and statistics, and received numerous honors and awards for his work.

Roger W. Hoerl, PhD, is the Brate-Peschel Assistant Professor of Statistics at Union College in Schenectady, NY. Previously he led the Applied Statistics Lab at GE Global Research. While at GE he led a team of statisticians, applied mathematicians, and computational financial analysts who worked on some of GE's most challenging research problems, such as developing personalized medicine protocols, enhancing the reliability of aircraft engines, and management of risk for a half a trillion dollar portfolio. He is a Fellow of the American Statistical Association and the American Society for Quality, and he has been elected to the International Statistical Institute and the International Academy for Quality.

Users Review

From reader reviews:

Silvia McElroy:

The publication with title Strategies for Formulations Development: A Step-by-Step Guide Using JMP includes a lot of information that you can learn it. You can get a lot of benefit after read this book. This book exist new knowledge the information that exist in this reserve represented the condition of the world now. That is important to you to know how the improvement of the world. This book will bring you in new era of the the positive effect. You can read the e-book with your smart phone, so you can read the idea anywhere you want.

Sandra Phillips:

Do you have something that you like such as book? The guide lovers usually prefer to select book like comic, limited story and the biggest some may be novel. Now, why not trying Strategies for Formulations Development: A Step-by-Step Guide Using JMP that give your pleasure preference will be satisfied by means of reading this book. Reading practice all over the world can be said as the means for people to know world better then how they react towards the world. It can't be explained constantly that reading addiction only for the geeky particular person but for all of you who wants to possibly be success person. So , for every you who want to start looking at as your good habit, you are able to pick Strategies for Formulations Development: A Step-by-Step Guide Using JMP become your own starter.

Edward Crosley:

Don't be worry should you be afraid that this book can filled the space in your house, you could have it in e-book way, more simple and reachable. This kind of Strategies for Formulations Development: A Step-by-Step Guide Using JMP can give you a lot of good friends because by you investigating this one book you have issue that they don't and make you more like an interesting person. This specific book can be one of one step for you to get success. This publication offer you information that maybe your friend doesn't know, by knowing more than some other make you to be great folks. So , why hesitate? Let me have Strategies for Formulations Development: A Step-by-Step Guide Using JMP.

Cathy Lantz:

Reading a publication make you to get more knowledge from the jawhorse. You can take knowledge and information coming from a book. Book is published or printed or outlined from each source in which filled update of news. In this particular modern era like at this point, many ways to get information are available for you actually. From media social like newspaper, magazines, science reserve, encyclopedia, reference book, book and comic. You can add your knowledge by that book. Ready to spend your spare time to open your book? Or just trying to find the Strategies for Formulations Development: A Step-by-Step Guide Using JMP when you required it?
