Tattoo Traditions of Native North America: Ancient and Contemporary Expressions of Identity By Lars Krutak

For thousands of years the Indigenous peoples of North America have produced astonishingly rich and diverse forms of tattooing. Long neglected by anthropologists and art historians, tattooing was a time-honored practice that expressed the patterns of tribal social organization and religion, while also channelling worlds inhabited by deities, spirits, and the ancestors. *Tattoo Traditions of Native North America* explores the many facets of indelible Indigenous body marking across every cultural region of North America. As the first book on the subject, it breaks new ground on one of the least-known mediums of Native American expressive culture that nearly disappeared from view in the twentieth century, until it was reborn in recent decades.

Editorial Review

Review

Simply put, this book is beautiful. [It] presents [tattoo] traditions with levity, generosity, and respect, and most importantly, not as a dying or vanishing art form but one which is re-emerging, giving voice to the people to whom these traditions belong.--Analisa Tripp"News from Native California" (01/01/2015)

"Tattoo Traditions of Native North America" begins to fill the void in the global record of traditional tattooing practices.... This volume provides a depth of cultural understanding rarely seen in conversations about tattooing in North America.--Rhonda Dass"Anthropos" (01/01/2015)

Alice Scales:

Reading a book being new life style in this calendar year; every people loves to study a book. When you examine a book you can get a wide range of benefit. When you read publications, you can improve your knowledge, mainly because book has a lot of information on it. The information that you will get depend on what types of book that you have read. If you want to get information about your review, you can read education books, but if you want to entertain yourself look for a fiction books, this sort of us novel, comics, and also soon. The *Tattoo Traditions of Native North America: Ancient and Contemporary Expressions of Identity* offer you a new experience in reading through a book.

Jaime McKenney:

As a college student exactly feel bored to help reading. If their teacher expected them to go to the library as well as to make summary for some guide, they are complained. Just minor students that has reading's internal or real their leisure activity. They just do what the professor want, like asked to go to the library. They go to there but nothing reading critically. Any students feel that examining is not important, boring along with can't see colorful photos on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore , this *Tattoo Traditions of Native North America: Ancient and Contemporary Expressions of Identity* can make you feel more interested to read.
