The Impenetrable Forest: My Gorilla Years in Uganda, Revised Edition By Thor Hanson

A self-described eco-nerd Thor Hanson, scientist and writer, brought the nascent gorilla tourist program in Bwindi National Park, located within Africa's Impenetrable Forest, to life. With grace and good humor Hanson navigates the local customs, mores and bureaucracy governing everything from love to superstition to build infrastructure, hire and train staff, fend off millions of ants among many other creatures while studying and acclimating the mountain gorillas to humans in their midst.

Editorial Review

Review

This book is a fun-read that provides an insider's account of life in the remote African bush as a Peace Corps volunteer. Great reading for everyone with a sense of adventure and interested in protecting our natural world. (Craig R. Sholley, African Wildlife Foundation)

If you love to read about people who've made a difference, Thor's life?full of successes and disappointments?makes a fascinating, inspiring memoir. (John Coyne, Living on the Edge: Fiction by Peace Corps Writers)

Fascinating...very well-written.

From the Author

As a biologist, working with endangered mountain gorillas deepened my understanding of evolution, animal behavior, and the critical interface between people and the natural world. Personally, my time in Uganda gave me friendships and insights that crossed wide cultural boundaries. The Impenetrable Forest describes a transformative period of my life and will always be a special book to me.
