The Queen of Zombie Hearts (White Rabbit Chronicles) By Gena Showalter

I have a plan.

We'll either destroy them for good, or they'll destroy us.

Either way, only one of us is walking away.

In the stunning conclusion to the wildly popular White Rabbit Chronicles, Alice "Ali" Bell thinks the worst is behind her. She's ready to take the next step with boyfriend Cole Holland, the leader of the zombie slayers...until Anima Industries, the agency controlling the zombies, launches a sneak attack, killing four of her friends. It's then she realizes that humans can be more dangerous than monsters...and the worst has only begun.

As the surviving slayers prepare for war, Ali discovers she, too, can control the zombies...and she isn't the girl she thought she was. She's connected to the woman responsible for killing—and turning—Cole's mother. How can their relationship endure? As secrets come to light, and more slayers are taken or killed, Ali will fight harder than ever to bring down Anima—even sacrificing her own life for those she loves. Don't miss *FIRSTLIFE*, book 1 of Gena Showalter's action-packed, romantic and exhilarating new series, the Everlife novels!

Editorial Review

From School Library Journal

Gr 9 Up—The author's unique twist, zombies meet Lewis Carroll, comes to a dramatic, if unevenly paced conclusion. Zombie slayer Alice Bell leads a group of killers of the undead against the corporation that is controlling the creatures. This action-packed, makeout-heavy volume is high on wry humor and overwrought romance. However, fans of the series will happily cheer on the strong female protagonist and enjoy the tidy ending.

Review

"Showalter's witty zingers will keep readers cackling....Funny, sexy, action-packed and tragic in all the right moments." -Kirkus Reviews

"This action-packed, makeout-heavy volume is high on the wry humor....fans of the series will happily cheer on the strong female protagonist and enjoy the tidy ending." -School Library Journal

"Showalter winds up her Alice in Wonderland-based zombie romance trilogy in classic Harlequin style....this final fat volume will delight series fans." -Booklist

"Showalter concludes her White Rabbit Chronicles with this exciting finale that will have you hooked from the first page to the last. You'll cry, laugh and jump for joy as you uncover the final fates of Ali and the slayers." -RT Book Review
