## The Witness By Dee Henderson

Police Chief Luke Granger's witness to a murder, Amy Griffin, has been on the run for years. Her family thinks she was murdered eight years ago, but Amy chose to accept a life in the shadows in order to protect her sisters' lives. Now unveiled secrets about their father have thrust the sisters into the public spotlight. The man who wants Amy dead now sees her sisters as the way to locate her. Luke and two of his homicide detectives are determined to stand in the way. They are each falling in love with a different sister, and it's become a personal mission to keep them safe. But chances are that at least one of them will fail, and facing the future will take a faith deeper than any of them currently knows.

## Editorial Review

From Publishers Weekly

This latest romantic thriller from Henderson (the two series O'Malley and Uncommon Heroes) and her first with Tyndale House has the elements that have made her so popular in the inspirational Christian market: interesting characters, an intriguing plot and fast pacing. Amanda Griffin is deep in hiding, using various aliases to fly under the radar of nefarious criminal interests. When she witnesses a multiple murder, Deputy Chief of Police Luke Granger befriends her. He fails to convince Amanda to come out of hiding, however. Three years later, Amanda's story and that of two newly minted millionaire sisters come together, and Luke finds his interest in Amanda becoming more personal. There is a foreshadowing of tragedy, and Henderson isn't afraid to kill off a beloved character in the interest of a compelling plot. She does an admirable job dispensing just the right amount of information, and her penchant for resilient women characters is endearing. Yet despite mostly strong writing, her dialogue is sometimes stiff and a few plot segments strain credibility (e.g., Amanda working incognito at a jewelry store in her sisters' hometown). Better is the well-paced action, the romance, and Henderson's integration of faith themes. The conclusion tapers off, a major disappointing note in this otherwise engrossing stand-alone entertainment. (*Feb.*)

From the Inside Flap

She lived in the shadows. Now unveiled secrets endanger her life . . . and her heart.

From the Back Cover

"I KNOW THE FAMILY SECRET."

Amanda Griffin is on the run. Eight years ago she disappeared after witnessing a terrible crime. Now her family thinks she's dead, but she's back in town . . . desperate to find a way to protect the ones she loves.

"PAY ME TO GO AWAY."

Police Chief Luke Granger is determined to find out who is behind the threats against Amanda and her sisters. With danger pressing in, there isn't much time, and Luke must put everything on the line.

Chief Granger and homicide detectives Connor and Marsh will do whatever it takes to stand in harm's way for the sake of the three Griffin women. It's no longer professional-it's personal. But chances are that at least one of them will fail. . . . And it's going to take a faith deeper than any of them currently knows to stand and confront the danger still to come.
