Unruly: Knights in Black Leather By Melissa Marr, Ronnie Douglas

The second novel in Ronnie Douglas' sexy Southern Wolves motorcycle club series—reminiscent of Kristen Ashley and Jay Crownover—tells the story of an aspiring fashion designer and a biker who discover a desire that knows no limits.

When the daughter of one of the Southern Wolves gets a flat in the middle of a thunderstorm, there's only one thing to do—strip down to her underwear and get a little muddy. But when Alamo, the sexy biker shows up to rescue Ellen yet again, things are bound to get a whole lot dirtier.

Between the trouble he left behind and club rules, Alamo knows he needs to stay clear of Ellen. He's not looking for a woman or complications—even when that woman is everything a man could want. Unfortunately, Ellen isn't playing by anyone's rules but her own these days, and a Southern woman who's been raised by Wolves is awfully hard to deny.

So when they give in to their raging attraction, both get much more than they bargained for.

Editorial Review

From Publishers Weekly

Douglas (a pseudonym for bestselling author Melissa Marr) serves up healthy portions of both heat and sweet, in her second Knights in Black Leather new adult contemporary (after *Undaunted*). The bikers of the Southern Wolves motorcycle club are Alejandro "Alamo" Diaz's chosen family, the only family he has other than his beloved sister, Zoe. When standing up for the right thing lands him in a load of trouble in North Carolina, he heads south and runs squarely into further problems with Ellen, the daughter of a fellow club member. Ellen's father died years earlier, but the club members all consider her a little sister—and one of them wants more than that. Ellen says she's only looking for no-strings-attached sex; Alamo would prefer romance. But when danger follows him to his new home, his only priority becomes keeping her safe. Douglas throws the lovers into hair-raising escapades while providing a satisfying update on the first book's protagonists and setting the stage for the next installment's drama. (Mar.)

From the Back Cover

Nothing's sexier than breaking all the rules . . .

When the daughter of one of the Southern Wolves gets a flat in the middle of a thunderstorm, there's only one thing to do—strip down to her underwear and get a little muddy. But when Alamo, the sexy biker shows up to rescue Ellen yet again, things are bound to get a whole lot dirtier.

Between the trouble he left behind and club rules, Alamo knows he needs to stay clear of Ellen. He's not looking for a woman or complications—even when that woman is everything a man could want. Unfortunately, Ellen isn't playing by anyone's rules but her own these days, and a Southern woman who's been raised by Wolves is awfully hard to deny.

So when they give in to their raging attraction, both get much more than they bargained for....

About the Author

Melissa Marr is the author of the bestselling *Wicked Lovely* series as well as the adult fantasy novels *Graveminder* and *The Arrivals*. When not writing, editing, or traveling, Melissa is buried under a plethora of books, dogs, and children in Virginia or online at www.melissa-marr.com.

Ronnie Douglas is the writing name for multiple *New York Times* bestselling author Melissa Marr's romance novels. Drawing on a lifetime love of romance novels (and Harleys) as well as, a few years running a biker bar, she decided to write what she knew—dangerous men with Harleys and tattoos.

Users Review

From reader reviews:

James Cansler:
